Sadie: in regards to possible EPA UIC participation on Dewey Burdock at the ROC, hopefully we will know very soon if NRC will still be presenting or not.

Hi Ken,
Do you know if this mean they will not give their presentation at the ROC at all or will they still give a presentation just not in person, like via webconference?
Thanks!

Ken,

FYI. Due to the current budget situation, Aby and I will not travel to EPA R8 to attend the subject meeting as originally planned.

Ken,

Following up with our call this afternoon, I participated in a call with Alfreda Mitre and Sam Vance of EPA R8, and other NRC staff about 2 weeks ago on the subject.

Have a great evening!

Kevin
